DEADLINE 12 FULL DAYS BEFORE THE END OF THE MONTH.

LIBRARY NOTES

It is hoped that good use will be made of the new encyclopedia. The volumes can not be taken from the library but adequate (though meagre) facilities exist for sitting down and reading or taking notes. The best time for that is the second hour of the library period, from 8 - 9 on Monday and Wednesday evenings and after eleven on Saturday morning. An urgent reference to it might be arranged by contacting one of the library staff.

Although the latest adult books have not been read by a great many, those who do like to keep up-to-date in their reading will be pleased to know that another order has been placed. The Regimental Fund Committee have also, in their wisdom, allotted a further \$200.00 for childrens' books.

SHOULD TEENS SMOKE?

Do you or some of your friends smoke?

If the answer is yes or if you have considered taking the step, read this first.

A British peeress has urged girls to make non-smoking a condition for going steady with boy friends.

Lady Summerskill, an out-spoken foe of cigarettes, made a plea in the House of Lords that girls persuade their boy friends to stop smoking.

"Consumption of cigarettes, in my opinion, would fall in spectacular manner if a girl made non-smoking a condition for going steady with her boy friend", she said.

Near Toronto, in Oakville, Police Chief Frederick Oliver warned parents that anyone under 16 years old does not have the legal right to smoke.

The Chief ordered his department to clamp down on offenders — first offences will bring a warning and further infractions will be dealt with in juvenile court.

The Chief stressed that parents no not have authority to give their children under 16 the right to smoke.

BOOK REVIEW

THE MCGRAW-HILL ENCYCLOPEDIA OF SCIENCE AND TECHNOLOGY

This 15-volume encyclopedia is the most comprehensive reference work of its kind in publishing history, presenting unrivaled coverage and concise factual data in every field and branch of science and technology from Acoustics to Zoology.

In this one encyclopedia, scientists, engineers, technicians, teachers, students, and others seeking general information on scientific and engineering subjects have the distilled knowledge of each field presented by its leading authorities, often in the actual words of the men and women who made the basic discoveries, did the research, devised the experiments, and made the studies. An annual Yearbook of Science and Technology will keep the encyclopedia up to date on every current development.

MAN'S SEVEN MISTAKES

- ★ The delusion that individual advancement is made by crushing others down.
- ★ The tendency to worry about things that cannot be changed or corrected.
- ★ Insisting that a thing is impossible because we ourselves cannot accomplish it.
- ★ Refusing to set aside trivial preferences in order that important things may be accomplished.
- ★ Neglecting development and refinement of the mind by not acquiring the habit of reading.
- ★ Attempting to compel other persons to believe and live as we do.
- ★ The failure to establish the habit of saving money.

— Author Unknown

The surest was to get a job done is to give it to the busiest man you know — he'll have his secretary do it.

Letters to the Editor

Letters addressed to the Editor for publication should deal with subject of general interest. They may be published under a pseudonym if requested, but must contain the signature and address of the originator as evidence of good faith.

Dear Sir,

These days we hear plenty of talk regarding the physical fitness of the "Average Canadian" — and it isn't complimentary.

How about the Griesbach association doing something about it. Ah yes I know we can curl, play tennis, join the Archery club and the boys have hockey — but I bet its a very small percentage of our community that attend.

Summer will soon be with us and also the moans from the children "mum what can we do."

How about using the facilities we have got — namely using the spare fields around us as recreation grounds. Paying the teenagers on a monthly basis to be in charge of certain areas with a registered class, not to teach — but to help boys to play ball games and girls — skipping and running games. Even the little ones would enjoy meeting each other to hear a story.

Don't scoff and say it won't work, it did and successfully too when we were posted Soest, Germany, it also helped the teenagers financially.

How about starting 10 BX exercises for the fair sex, admittedly it took the RCAF to work them out but they're friends of mine.

I don't want to compete in sports but I would like to have a trim figure that is youthful, agile and in real healthy "shape"! Isn't there one room we could use either morning or afternoon? Please don't expect us to have any energy after 6 p.m.

Are there any arrangements for army dependents using the RCAF pools, perhaps one morning could be set aside for a parent to take their children for a swim.

These are just a few suggestions, how about working on them — perhaps the results will surprise us all this summer.

Thank you, Mrs. Webb
(See "Summer Recreation" at sports section.)

— Ed.

Cancer Crusade

GRIESBACH PMQ's, 16 APR. 1962

We wish to thank all those residents of PMQ's who gave so generously to the Cancer Crusade. The total collected was \$347.

Thank you,

Your Collectors

Saint John's Chapel Women's Auxiliary.

Better Business Tips

A public service feature provided through the courtesy of the Better Business Bureau of Edmonton with a view to informing Griesbach residents of various business practices of which they should be aware.

SCHOLARSHIP TRUST FOUNDATIONS

The Toronto Bureau reports three such organizations now operating in the Toronto area. Two of them have set up sales organizations to sell the plans. Under these plans payments are made monthly, or in a lump sum, and placed in a Trust Account, after deduction of a specific sum for administration expenses. The interest accumulating on your deposit goes to the Foundation to pay University fees for qualifying children. Children must be enrolled while young, probably under the age of eight or nine years. Your principal (less the enrollment fee) will be available for your child's first year of University, and your child will be assisted in succeeding years from the Foundation funds, if he qualifies for assistance. This amount to be determined by the amount available in the Foundation Trust, and the number of students who qualify. There are several things which subscribers should bear in mind:

- (1) The enrollment fee is not refundable.
- (2) Your deposited principal will be available for your child's first year University. There is no stated sum for 'further years' assistance. It will be determined by the amount available in the Fund, if your child qualifies for further assistance.
- (3) Will your child qualify for admission to a University, or have the desire to go? It might be wise to check with your local educational authorities on the percentage of fallouts between elementary level and second year University.
- (4) What amount of interest will accumulate on your principal, which will not be working for you?
- (5) What will happen to the money subscribed if the Foundation should cease to exist?

UNAUTHORIZED INVOICING

"The National Defence Review" is published by the Canadian Military Journal, of 47 Yonge Street, Toronto 1. Invoicing is being received from "Western Hqrtrs. P.O. Box 4171, Station D, Vancouver," for gift subscriptions to Military Hospitals, etc. This is a private publication and not connected with any military organization. Businessmen and private citizens should ask for the names of those to whom their gifts will be sent. How many gift subscriptions are sold, and how many are actually distributed?

YOUNG PEOPLE SEEKING EMPLOYMENT

Young people seeking employment may be intrigued by advertisements offering a so-called guaranteed salary and a wonderful opportunity to see Canada. This may be magazine sales. A recent report to the Bureau indicates that a young man was promised a minimum of \$40.00 per week with an opportunity to travel. It sounded wonderful, but it wasn't explained to him until after he had left his home town that he was expected to pay all of his own travel expenses, meals and lodging and laundry from his commissions on sales, and that any money drawn was charged against his commissions. After travelling from Vancouver to Edmonton and finding that he was unable to make a go of it, — and owing the crew manager a small sum of money, — he was told he was through and would have to find his own way home. When your young son or daughter wishes to seek this type of employment be sure they investigate all the terms under which they must work.

PERMITS ISSUED BY CITY COMMISSIONER'S OFFICE FOR SOLICITATIONS

OPTIMIST "GOLDEN GLOVES" BOXING TOURNAMENT

Mr. George Tapley obtained a Professional Promoter's Licence to handle advance ticket sales for this organization, and is to receive 50% of Advance sales, out of which he pays the costs of promotion. Event to be held the wee-end of May 25, 26th, with sales March 22nd to May 19th.

GIRL GUIDES

Door-to-door sale of cookies by Guides and Brownies during month of May, 1962.

EDMONTON ASSOCIATION FOR RETARDED CHILDREN

Blitz Night, May 2nd. Door-to-door canvass for sale of memberships with objective of \$50,000. to assist the Winnifred Stewart School.

CANADIAN PEACE RESEARCH INSTITUTE

Mail and business canvass April 2nd to May 1st, 1962. Door-to-door canvass May 1st to 7th.

When asked what made him Padre Clark replied, "A plane decide to be parachute jumper, with three dead engines."

Time to Take Stronger Stand Against Stupidity of False Alarms

We would like to refer you to the report of fire calls elsewhere on this page, received by the Griesbach Fire Department. For the period from 6 Mar. to 27 Mar. (a mere twenty-one days) a total of thirteen calls were received. **OF THESE, EIGHT WERE FALSE ALARMS.** Try as we may, we are unable to come up with any justification for such abuse of a public convenience.

Unfortunately we are not alone in this plight, and our opinions are most aptly expressed in this extract from the Saint John Telegraph Journal entitled —

OBJECT LESSONS ARE NEEDED

Fire departments are established at great expense for the primary purpose of saving lives and property. Nothing that jeopardizes the equipment or the safety of the firemen themselves, who are in many cases volunteer citizens of a community, can be tolerated for a moment.

Failure to impose swift and exemplary punishment when those who turn in false alarms are apprehended is only asking for more trouble.

Look at what happened in the case of one false alarm at Grand Falls: An \$18,000 piece of firefighting equipment wrecked; Fire Chief Clair St. Amand in hospital with injuries resulting from being thrown 17 feet from a bridge; and two other firemen badly shaken up.

The accident occurred when the fire truck skidded into the bridge.

It could have happened in response to a real fire call, of course. But the dice shouldn't be loaded against the firemen by some nitwit with a yen to send in a false alarm to satisfy his or twisted ego.

Some people excuse false alarms turned in by juveniles as "pranks." That is no saner than permitting children to play with dynamite. If they do not appreciate the damage they may cause, then such juveniles should be made aware of it where it hurts. And the same goes for those other delinquents, older in years perhaps, but who just can't be called adults.

Little can be added to this to make our point. However, perhaps, the education of the very young would help greatly. Each year a new group of these toddlers come out for the first time to entirely new surroundings. Freedom to wander, to choose their own playmates and above all to discover new and exciting adventures. What is more attractive to an inquisitive mind than the bright red alarm box on the corner — and, through experiment, what makes it tick. To the parents of these young explorers we ask this favour. Take five minutes to explain this piece of equipment to the three to five year old. Show him or her where it is, what it is for with a gentle reminder of the price of disobedience.

OF FALSE ALARMS, —

Other localities view it like this:

"As to guilty adults, they should be dealt with severely in court if found and convicted."

— Timmins Ont. Press.

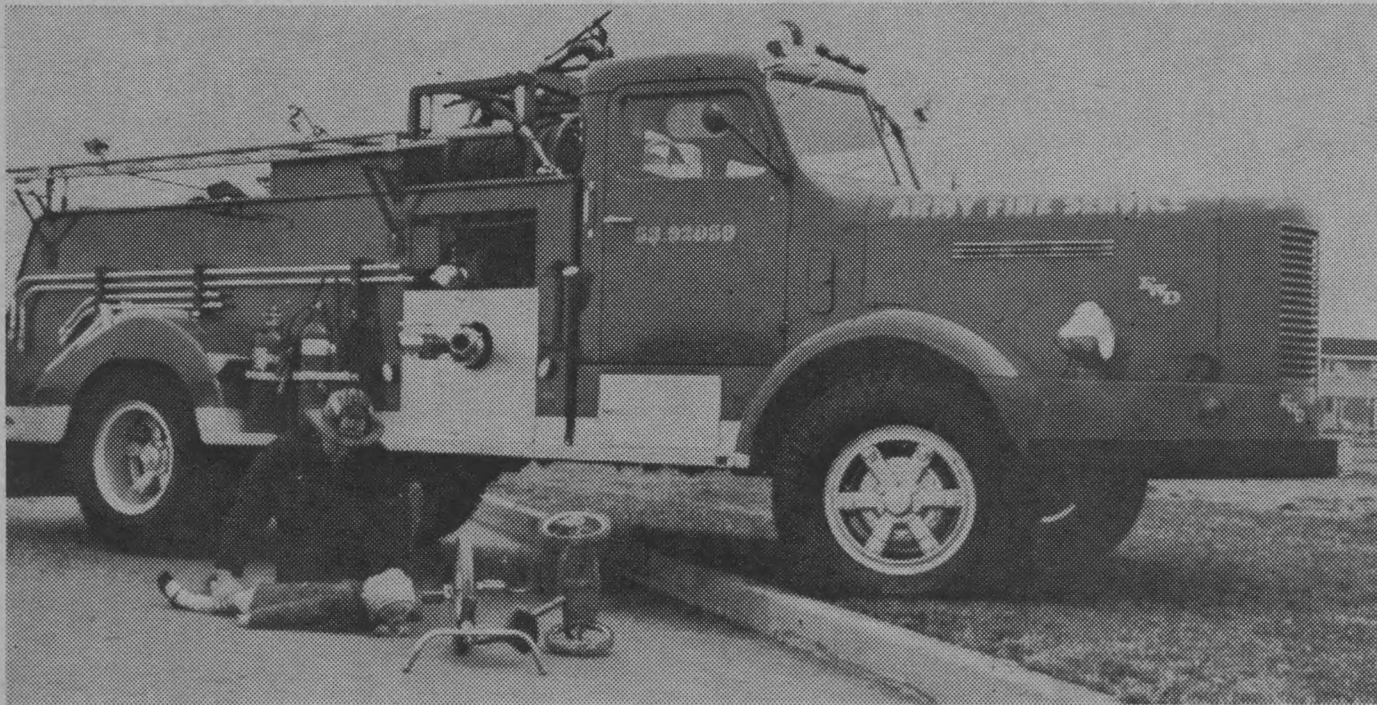

"In Canada the offence of giving or sounding a false alarm of fire is dealt with under Section 378 of the Criminal Code and the penalty provides a fine up to \$500.00, or six months imprisonment in default of fine or both fine and imprisonment."

— Fire Fighting in Canada.

— Are these to be the only alternatives left to local authority? The answer to a large part remains with each parent.

ALL BECAUSE OF A FALSE ALARM! MUST IT COME TO THIS?

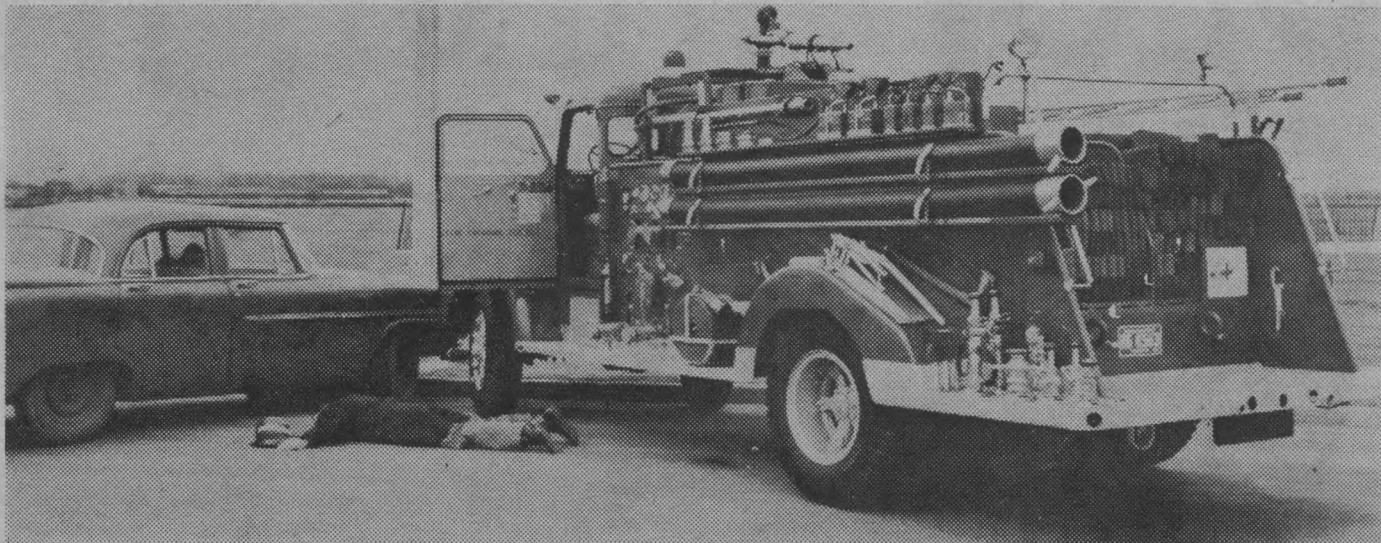

Will the next victim be YOUR child, YOUR sister, YOUR brother?

FOR THE WANT OF FIVE MINUTES EXPLANATION TO A CHILD,
OR FULL REALIZATION BY AN ADULT, —

Must There Be Other Fatalities?

Only your complete cooperation .. can help .. reduce .. this additional ..hazard to ..your ..Fire ..Department.

Fire Fighting Award

Fire-fighters of the Griesbach Barracks fire department took third place for outstanding activity in fire prevention for large military establishments in Canada. Brig. J. S. Ross, left, Alberta Area commander presents certificate from the National Fire Protection Association to fire chief A. P. Hauglum.

National Defence Photo

To Observe 18th Anniversary

The unit, 13 Company RCEME and 224 Workshop RCEME have commenced to prepare for the 18th RCEME anniversary which will be celebrated on May 25th. On May 15th the workshop will hold "Open House" and the workshop will be open for the public to visit. On May 25th the unit will hold a cocktail hour and dance for all RCEME units and RCEME personnel of the Griesbach Area.

The corps was officially formed on May 15th, 1944, and since this date an enormous change has taken place. All for the better. Since the forming of the corps it has expanded in numbers with personnel in all corners of the world where troops are stationed.

The curlers of the unit will, by the time this article is published, have participated in the Command Bonspiel and we wish them all the luck possible in their attempt to win a prize.

Sgt. Bill Kitchen has returned to work after a minor operation and sick leave.

Cpl. Jim Maguire and Cpl. Chas. Egan have proceeded to Calgary to attend a three-week Senior NCO assessment. Best of luck, fellows, as the next step is the RCEME School.

We have lost the services of three potential instrument mechanics that have gone on course to the RCEME School. They are Cfn. Charron, Rintoul and Virskovy.

Sgt. Frank Woodcock has returned after successfully completing the Office Management course held in Camp Borden, Ontario.

The workshop strength has been

bolstered with the help of Pte. Hobbs, potential transferee from RCIC in the trade of Radio Technician. Also Cpl. Finzel from the RCIC and training as a potential Vehicle Mechanic.

Personnel of the unit will in the near future miss two old faces in the ranks as Sgt. Nelles will be posted to Petawawa, Ontario, and Sgt. Michniuk to Lakeview, Ont. Sgt. Nelles will be greatly missed as he was always available to assist in the social functions that took place and especially a stalwart during the nit's children's Christmas Party.

Cfn. Poytress will depart in May for the Middle East and this means his boy foreman, smiling Bill, will have to find another helper to take over Stan's duties.

Capt. Charles is enjoying some well deserved leave prior to proceeding to balmy Ontario to attend a course at Arnprior.

The mathematicians consisting of Sgt. Boyd, Sgt. Hercum (2 PPCLI) and Cpl. Simpson are diligently studying for the forthcoming tests that will be conducted during the latter part of April. These tests are the Pre Artificer Assessment and from all appearances they are certainly not looking forward to the finals.

Mrs. Crerar of the Control Office staff is patiently preparing for the forthcoming wedding of her daughter Dorothy to Pte. M. T. Melanson on Saturday, April 28th.

Cpl. Garnet Allen has again become a member of the PMQ occupants. This means cutting the grass again and we hear he has commenced to train the small boy for this job.

Spring Clean-Up Week

The Griesbach Fire Prevention Committee has declared the week commencing on the 13th of May and ending on the 19th of May as "Spring Clean-up Week" for the Griesbach Area.

Spring Clean-up Week is an annual event designed to help you rid your home of fire hazards.

Service vehicles will be used on the 17th May to tour the PMQ area and pick up your discarded materials such as boxes, crates, old furniture, etc. that the garbage collectors normally do not pick up.

Fires in Canada in the last ten years have taken 5,477 lives and wasted more than a billion dollars of property, so let's play safe and "Don't Give Fire a Place To Start."

Eleven years ago last week the battle of Kapyong, Korea was fought. After the battle, Griesbach's own 2 PPCLI were awarded a U.S. presidential unit citation — the blue streamer that now flies from the battalion's colour. Each year the battalion pauses in its activity to remember their comrades who died in the heroic action on April 24 and 25 eleven years ago. Here Major G. E. Henderson, battalion second-in-command and senior Kapyong veteran reads aloud the unit citation to assembled soldiers at Hamilton Gault barracks. A similar ceremony was held at Camp Wainwright for the four rifle companies training there.

INCREASE ALLOWANCES

Allowances for Canadian servicemen serving in Germany with the 4 Canadian Infantry Brigade Group and 1 Air Division and in Britain have been increased, retroactive to October 1, 1961.

In Germany service personnel living in civilian accommodation will now receive \$45 a month special allowance, an increase of \$15. Those living in permanent married quarters will receive \$25 a month against \$15.

In Britain Canadian service personnel living in civilian accommodation will receive \$25 a month against \$10. Those living in married quarters will receive \$10 a

month. Previously those living in married quarters did not receive any allowance.

It has also been decided that effective April 1, 1962, children accompanying servicemen stationed in Britain or continental Europe with 4 CIBG and 1 Air Division will be entitled to a special allowance of \$6 a month up to 10 years of age, and \$8 a month from 10 to 16 years.

Until a husband can get alimony by crossing his legs and winking at the judge, there's no such thing as equal rights.

Relocate Battery

OTTAWA — The 2nd Surface to Surface Missile Training Battery will be re-located at Camp Shilo, Manitoba, next August, it was announced by Army Headquarters recently.

The battery will move from its present location at Camp Picton, Ont. and will come under the command of the Royal Canadian School of Artillery.

2 SSM Training Battery was formed in 1960 at the same time as 1 SSM Battery, which was dispatched to serve with the 4th Canadian Infantry Brigade Group, Germany, in late 1961. 1 SSM Battery is designated as a fighting unit while its sister battery was organized for training and replacement purposes.

2 PPCLI NEWS

During the past month the battalion has been occupied mainly with sub-unit and specialty training. Support weapons courses have been completed in CAMP WAINWRIGHT and the Pioneer Platoon has left to complete their training in CAMP CHILIWACK. Each of the rifle coys will carry out battle-drill training and range-firing exercises at CAMP WAINWRIGHT this month and at the beginning of next month. The object of this training will be to allow coys time to practice the drills they will employ during the summer concentration. Two coys will be in WAINWRIGHT at a time, and training will be completed early in May allow the battalion sufficient time to practice for the Trooping parade in June.

Continuation airborne training has carried on with two drops having taken place this month. One drop was held in CAMP WAINWRIGHT and was a daylight drop. A night drop was held in the BON ACCORD area.

The PPCLI Corps of Drums has been kept busy this month in preparation for their participation in the 1 PPCLI Trooping Parade to be held in Victoria next month.

A large number of soldiers who have recently completed their Depot Training, will return from leave shortly and move to WAINWRIGHT with the New Soldier Company for leading-infantrymen training. This training will include two groups of new soldiers and will be completed by the middle of May.

OFFICERS' MESS

The main function held in the mess this month was the second Dining-in evening held on April 12th. Some 54 members and their guests attended the dinner and greatly enjoyed the evening. The mess has seen considerable activity this month: early in the month the main lounge was repainted, and several gifts from departing members have been placed on display. Two functions were held in the mess by non-PPCLI organizations: The annual dinner of the RMC Club Edmonton Branch, and a mixed dinner of the Griesbach Curling Association.

The Mess recently bade farewell to Maj. C. A. H. Kemsley who has left the battalion on posting to Indo China; on leaving Maj. Kemsley presented the mess with two paintings which are now hanging in the lounge. The mess offers their best wishes to 2 Lt. R. R. F. Burns on his recent marriage, and welcomes Lt. K. H. B. Gallant who has arrived from 1 PPCLI for a tour in the PPCLI Depot.

SGTS. MESS

Since last edition the Mess has a new President in the person of C. S. M. Falconer.

At present things are going very quietly since many of our

Memorial Award Presented

Corporal R. C. Lee (left), a member of No. 4 Transport Company, Royal Canadian Army Service Corps, Winnipeg, receives the Sergeant Roy Moody Memorial award for the top candidate on the Western Command Junior Non Commissioned course at Camp Wainwright, Alta. The memorial trophy was originated by the 2nd Battalion Princess Patricia's Canadian Light Infantry in memory of the late Sgt. Roy Moody of the battalion who was killed whilst attached to the NCO school as an instructor. Major General J. M. Rockingham, general officer commanding Western Command presents the award.

National Defence Photo

members have gone to Camp Wainwright; a few of our members, however, have recently returned from Victoria. Except for the normal Saturday evening Bingos there has been very little activity in the mess.

We welcome Sgt. Spece, Sgt. Remin and Sgt. Rutherford, who are spending some time with the PPCLI Depot. They all hail from the First Battalion in Victoria, B.C.

CPLS. MESS

The mess recently purchased a stereo set and many new records. The stereo itself is an amusing and entertaining toy to have in the mess and is greatly appreciated by all members.

The mess wishes the best of luck to Cpl. B. H. Johnston on his recent transfer to the Canadian Intelligence Corps, and to Cpls. Nolan and Sutton on their recent posting in Indo-China.

EDMONTON ALBERTA

ADOPT NEW TECHNIQUE

OTTAWA — A new technique developed for planning, scheduling and controlling both costs and time in tackling large projects within the Canadian Army will soon be undertaken on a wide-spread scale, it was announced by Army Headquarters recently.

Based on the most important steps in planning any type of project, the technique is called "The Critical Path Method". It has undergone extensive study in both the United States and Canada, and this fall it will be taught at the Royal Canadian School of Military Engineering.

In 1956 the Du Pont organization in the United States established a team of engineers to develop a superior system for planning, scheduling and controlling complex engineering projects, Mauchly Associates later extended the sys-

NOTES FROM RECRUITING

The Recruiting office was thick with expensive (?) cigar smoke recently celebrating the new arrival in the household of Lt. and Mrs. Paul Robison. It's a safe prediction that all future decisions in the Robison domicile will be decided upon by the fairer sex — the baby is a girl. Don't be down-hearted Mr. Robison, at the office, at least, you'll still be able to make decisions.

Lts. Bridgeman and Robison have been quite busy of late travelling about the country giving career talks to high school students. These talks are well received by students who would otherwise know very little about careers in the Army.

Sgts. Robinson, Swan and Nordin, the 811 commandos, have been travelling to their respective zones on regular recruiting tours gathering in all interested hopefuls.

Why are hotel-room walls so thin when you sleep and so thick when you listen?

tem to make it conform to projects of any description involving costs or time, or a combination of both.

The technique has been used by the Department of National Defence in construction projects for the national survival programme with outstanding success. It is currently being used in the construction of provincial headquarters buildings for the Emergency Measures Organization, and in the future its use may be made mandatory in the calling of tenders for National Defence building projects.

The Critical Path Method was first tried by the Government in the Ottawa area two years ago on a building project of a year's duration. However, since then further investigation have revealed that its techniques can be applied to advantage in other fields of endeavour, including that of military tactics.

GRIESBACH SGTS LADIES CLUB

The monthly meeting of the Sgts. Ladies Club was held in the Sgts. Mess March 28th.

Our president Mrs. Yateman welcomed the ladies and extended a special welcome to several new members. After our business meeting we enjoyed several games of Bingo. Lucky members were recipients of cups and saucers.

Mrs. Durand and Mrs. Marg Wecker were winners of the door prizes — a hamper of food for Mrs. Durand and for Mrs. Wecker a lovely cushion. Refreshments rounded out a most enjoyable evening.

At future meetings a skit and bowling tournament are in the offing, so come out all you members and enjoy a sociable evening of fun.

Our April meeting will be held April 25th at 8:30 P.M. This will be a "Crazy Corsage" party and a "white elephant" auction. So wear your corsage to the meeting girls and to the highest bidder go those white elephant articles.

Expect to see you all at the next meeting.

Your Executive.

Attention All Baby-Sitters

It is proposed to republish the list of baby-sitters in the next issue of the Bugle. All those wishing their name included should contact Mrs. R. G. Deakin at PMQ 277, 10112 - 146 Ave., or phone her at 474-4404. Information provided must include name, age, PMQ number and phone number if any.

BABY-SITTERS WHO DO NOT SUBMIT THEIR NAMES BY MAY 15th WILL BE PRESUMED POSTED OR NOT INTERESTED AND WILL NOT BE INCLUDED IN THE NEW LIST.

WANTED:

Cleaning lady 1/2 day weekly. Apply PMQ 124 or phone GR 4-1006 evenings.

FOR SALE:

9 x 12 tourist tent \$30.00. Phone Niles, 474-2507. 10115 - 147 Ave.

FOR SALE:

Boys bike, three speed, 22 frame \$20.00. Girls sidewalk bike \$15.00. Table saw with 1/4 hp. motor \$20.00. 1951 Morris Oxford, needs repair \$50.00. Ph. GR 9-5716.

FOR SALE:

Pink graduation/cocktail dress size 14. Worn once. Reasonable. Phone Sharon GR 9-1711.

FOR SALE:

Three graduation/cocktail dresses — pink, yellow or green. Size 14. Worn once. Reasonable. Phone Jerry 422-3690.

LOST:

New red and white sidewalk bicycle. Ph. GR 4-4379.

FOR SALE:

Baby carriage. Good condition \$17.00 PMQ 539, 10511 - 149 Ave.

FOR SALE:

Boys bike age 5 to 7. \$10.00. Ph. GR 7-5963. PMQ 319.

FOR SALE:

1957 Buick premium condition. Power brakes and steering. Radio and trailer hitch.

18' aluminum house trailer sturdy construction. PMQ 502, 10527 - 150 Ave. Ph. GR 7-6291.

BABY SITTER:

Evenings only. Mrs. Theresa Palseiner. PMQ 712, 15005 - 107 St., Grant Place. Ph. GR 9-7580.

FOR SALE:

9 ft. duck and fishing boat complete with oars and locks. \$35.00. Ph. GR 9-7841. PMQ 359, 10211 - 151 Ave.

TWO-BITS GOES TO CHURCH

I am twenty-five cents.

I am not on speaking terms with the butcher.

I am too small to buy a quart of ice cream.

I am not large enough to purchase a box of candy.

I cannot be exchanged for a gallon of gasoline.

I am too small to buy a ticket to a movie.

I am hardly fit for a tip. But believe me,

When I go to church on Sunday I am considered

SOME MONEY.

A Corner for Gardeners

LAWNS

Authorities estimate that over 50% of the funds and effort expended each year on our Canadian home lawns is wasted. Many common practices are even injurious to lawns rather than beneficial. Some of the common errors and newer practices are explained in this article to assist readers in developing a better lawn.

No part of our beautification programme will contribute more to the home grounds than a good lawn. It provides the green, restful and pleasing base and foreground for our picture.

DRESSING

Established lawns may be improved by applying a very thin dressing of top soil. Not over half

an inch of good top soil may be eventually raked into a lawn. This should stimulate grass growth and improve the soil texture.

Before applying a top dressing the lawn should be raked. Use an iron garden rake, raking first one way and then the other way. This removes the dead grass and reopens the surface to permit air to enter.

MOWING

Regular mowing at frequent intervals is required to maintain a good turf. The frequency of mowing should be gauged to the rate of growth rather than the day of the week.

When mown at a height of 1 1/2" — 2" lawn grasses will compete favourably with weeds. Mowing grass too short may damage the root crowns and thus rob the plant of its food manufacturing capacity and its ability to renew growth.

Efficient cutting at the proper height can only be attained with a well adjusted and sharp lawnmower. Torn or bruised grass blades dry up and turn brown with the entire lawn taking on a seared appearance.

Grass clippings are beneficial and should be left on the lawn unless they are in very thick layers.

In shaded locations grass should be cut less frequently or at height at least one inch above the cutting height of open lawns.

WATERING

The moisture requirements of established lawns will depend to a large extent on the soil on which the grass is growing. Heavy soils require much less water than the lighter sandy types. Generally speaking, however, all lawns should be given infrequent heavy soaking rather than frequent light ones. Frequent light watering encourages surface rooting, whereas the ideal watering system provides sufficient water at each application, to penetrate to a depth of from 4 to 6 inches.

Most grasses grow vigorously during the Spring and Fall and are semi-dormant during hot summer weather. Some browning of the grass during the hot weather should cause no alarm.

WEED CONTROL

Dandelions and many other broad-leaved weeds can be effectively controlled in lawns with 2, 4-D.

Rates of application and other directions are given on containers prepared especially for lawn use.

These directions should be followed carefully.

TREES AND SHRUBS

Probably few things that the householder does gives him more satisfaction than planting trees and shrubs and watching them develop.

An important factor in good planting is the selection of material to suit the space available. There are too many big trees planted right against houses or in places where they must be cut back to make them fit. If good judgement is used, there is no need to mutilate a tree or shrub to make it fit a space in which it never should have been planted in the first place.

PLANTING SUGGESTIONS

When digging holes, it is recommended that the topsoil be kept separate from the subsoil. Size of hole depends upon the age of the tree and root development but should be large enough to receive the roots without bending. The moisture holding capacity of the soil can be improved by mixing organic matter with the topsoil.

On receipt of planting material the packages should be opened and moistened at once or transplanted. Avoid unnecessary exposure to wind and sun.

Trim any broken or ragged roots with a sharp knife or pruning shears. Set the roots to stand at their normal position. Plant the trees about two inches deeper than stood in the nursery row. Trees are usually slightly inclined towards the prevailing winds. Use topsoil as much as possible for back-filling the holes. The soil should be packed firmly around the roots, layer by layer. A depression of approximately one inch must be left for watering. Failure is usually due to insufficient compacting of the soil in planting. Water newly planted trees well. To avoid excess evaporation, keep the topsoil loose and possibly provide a mulch.

When setting out shrubs and trees a complete fertilizer may be thoroughly mixed with the 6 inches of soil in the bottom of the hole into which the plant is to be set. A two-inch soil layer without fertilizer should separate the soil fertilizer mixture and the ball of soil about the plant's roots. Five to ten tablespoons of fertilizer may be used in holes two feet in diameter. A pint of starter solution may be applied about the soil ball on the plant when the hole is half filled with soil.

Summer Scouting

A common question among Army Scouters every spring is "When are you closing down?" It refers to the weekly Scout or Cub meeting and the closing date indicates that Scouting has come to a standstill until the following September.

This is a pernicious habit that we deplore. The fact that many good reasons can be readily put forward to support this yearly action (perhaps we should say INACTION) does not alter the fact that it is just a habit — and bad one.

The reasons? Summer concentration — people who never attend a concentration in their lives use this one. Leave — it is hard to understand why thirty days leave should close down Scouting for three months. Pressure of work — this common excuse must surely be used with tongue in cheek by army people.

In Canada, with our long winter (particularly the Edmonton variety) the summer months are the time when our best and most worthwhile Scouting can be done. Scouting is an outdoor game and outdoors Alberta is much nicer in June than in February. Winter Scouting is possible, of course. We know of an excellent troop doing winter camping in Whitehorse, but it is the exception rather than the rule.

Of course, there are Summer camps, but these are a supplement to, rather than a substitute for a regular Scouting programme. We can state without fear of successful contradiction that Scouts will assimilate more knowledge of Scouting in all its ramifications during the summer months than in the remaining nine.

What is the remedy?

Move out of your winter quarters now! Get your troop box and your Wolf Head and your flags and walk out of the school auditorium. Find an outdoor place for your weekly meetings — use a different (secret) place for each meeting. Write out a summer programme and make it simple — just one project per meeting. Get a parent to take over any meeting you can not attend (arrange it in advance of course). Encourage Scouts to do Saturday hikes under the Patrol Leader and lay down a list of tests that the P.L. is allowed to qualify his patrol on. Have your Scouts do their Second Class tracking test (half a mile) in addition to the Kims Game they struggled over last winter. Give them the rope and let them build a bridge on their own. Find a place where fires are allowed and lay on a mass test for Second Class test No. eleven. Let them burn and then eat their quarter pound of meat and two potatoes.

In short, let us show the boys the way to good scouting and encourage them to go that way. Let us not heave a sigh in May and say "Thank goodness, no more until October." Let us encourage the boys to use the summer as boys were meant to use it — for constructive fun.

1st GRIESBACH BROWNIE PACK

Brown Owl — Jean Nickerson
Tawny Owl — Bobby Roe

The 1st Griesbach Brownie pack held its Easter Party Monday, April 16, at No. 1 School. One of the high points of the meeting was a golden bar presented to Donna McGercher. Visitors present were Joyce and Norma, sisters of Donna Morlock and Mrs. Harmer and her daughter Hilda.

The project for the day was the decorating of Easter Eggs for the trip planned the following night to visit the War Veterans in the Wells Pavilion in the University of Alberta Hospital. The party was arranged by Mrs. Hamilton, the pack mother, and the Brownie mothers sent extra supplies of sandwiches and cookies so that some of these could be saved as a treat for the war veterans.

On the following night 1st Griesbach Brownie Pack visited

the Wells Pavilion and treated the war veterans to sandwiches and cookies and presented them with their decorated eggs and Easter cards and notes.

A sing-song was held with the veterans and many of the Brownies found old friends they had made on their previous visit to the Wells Pavilion at Christmas time and there were some happy reunions of young and old.

The pack would like to express their thanks to Mrs. Gwen Kitchen for playing at their sing-song at the Wells Pavilion, to the mothers who supplied sandwiches and cookies, to Mr. Hamilton, Mr. Clark, Mr. Hansen, Mr. Hall, and Mr. Ehinger who so kindly provided cars and drove them, and a special thanks to Mrs. Hamilton, the pack mother, who made all the arrangements for the Monday party and the Tuesday trip to the

Wells Pavilion in regard to refreshments and transportation.

"D" PACK CUBS

Bugle readers must surely think that we have only one Cub pack in Griesbach, that one being "D". We know that the other packs do equally as much work and have their big moments — why not drop us a line fellows, and get your name in the paper.

It needed only be in note form: just the essential facts; we'll fill it in and get it in to the Bugle. Send any information of interest to WO 1 R. Jackson, Garrison Sgt. Major local 353 or 479-7366.

This week we have some names which are becoming familiar to readers as these boys move along the Cubbing trail. Godwin, Smith, Tuttle, Jameison, Covey, Pilote and Ryall. Cfn. Buckley is to be complimented on doing a fine job with these youngsters.

Soldier Commended by Chief of the General Staff

Lance Corporal J. B. D. MacCormack, left, of Cumberland, Ont., receives a citation for "Commendable Conduct" from Lt.-Gen. Geoffrey Walsh, Canadian Army Chief of the General Staff for his part in confronting two burglars at the home of Hon. Donald Fleming, Feb. 25. Major R. A. D. Kelly, centre, MacCormack's commanding officer beams with pride during presentation.

National Defence Photo

Welcome Aboard

With current increased emphasis on the role of the Canadian Women's Army Corps, a third CWAC officer has been appointed to full-time duties at Western Command headquarters, Griesbach Barracks, it was announced recently.

She is Lt. Helen Malinsky of Taber, Alta. and commenced her duties in the office of the staff officer (CWAC) at Griesbach on April 9. She has been granted a short service commission in the Regular Army.

Lt. Malinsky was previously on strength of the King's Own Calgary Regiment (Militia) of Calgary, and has been in the Militia since 1957. Her most recent civilian employment was in Calgary.

She comes from a thoroughly military family, four brothers having served in the Second World War, and one now with the Royal Canadian Engineers in Germany.

Her mother, Mrs. Malinsky, is a resident of Taber, Alta.

13 COY RCASC

Ssgt. Paterson, Sgt. Pearson and Sgt. Willard completed firing of targets for the Pelissier Limited Trophy Competition which is open to all RCASC CA(R) WOs and Senior NCOs, with good results. The final standings in the competition will not be known until the RCASC publishes the complete results for the Corps.

An inter-company tournament took place on 24 March 1962 between Edmonton and Wainwright Detachments. Eight games were bowled at Lucky Strike Bowling Alleys, and Edmonton took the trophy. Alas, on 14 April 1962 when Edmonton made the return trip to Wainwright, that detachment retaliated and retained the trophy. Good Luck and Bowl Away.

Pleasant sun melts the snow,
Oif to the greens the golfers go!

On Thursday, 22 March 1962, a get together was held in the Canteen lounge, the occasion being Mrs. Baker's promotion and change of employment to Camp Office. Also, it was an opportunity to congratulate Ssgt. Paterson on his promotion and posting. As a guest of Major Cooper, Squadron Leader V. H. Faurot, Air Staff Officer (Survival) Western Command was in attendance.

BIRTHS:

To Pte. and Mrs. G. J. Simmons — a daughter, Marry Ellen, born

15 Mar., 1962.

To Cpl. and Mrs. K. G. Jackson — a daughter, Kathy Lynn, born 18 Mar., 1962.

To Sgt. and Mrs. J. Bromley — a daughter, Susan Marie, born 23 Mar., 1962.

POSTINGS AND PROMOTIONS:

Cpl. MacLean was appointed Lsgt. effective 19 March, 1962 and detach posted to Resolute Bay, N.W.T., vice Sgt. Durand.

Sgt. Durand has just completed a tour of over six months duration at Resolute Bay, and seemed depressed on leaving the land of the midnight sun. Major Cooper was present for the handover, leaving Edmonton by RCAF Scheduled Flight on the morning of 29 March, 1962.

Sgt. J. W. Smith was posted to the unit from the RCASC School, Camp Borden, effective 28 March, 1962, and is presently employed in the Transport Section.

Ssgt. Paterson has been promoted to the rank of QMS (WO2) and posted to the Calgary Detachment effective early May, 1962.

COURSES:

Sgt. Gerry Cherlet — Office Management, Camp Borden
Cpl. Greg Chisholm — Storeman Group 3, Montreal
Cpl. Ken Jackson — Clerk RCASC Group 3, Camp Borden

All successfully completed and qualified. Congratulations.

It had been a busy day for

mother and to make matters worse her small son came running into the house with his pants torn.

"You go to your room and mend those pants yourself," she ordered, and don't let me see you out here until the job is done."

A little later she came in to see how the job was coming along. The pants lay on a chair and the door to the cellar, usually closed, was open. The mother called down sternly, "Are you running around down there with your pants off?"

A deep voice answered, "No ma'am. I'm reading the gas meter."

CONFIRMATION SERVICE

Sunday evening, May 13th, at 7:30 p.m. at St. John's Chapel, Padre Clarke will present 17 candidates for confirmation to Rt. Rev. W. G. Burch, B.A., D.D., the Bishop of Edmonton. A reception will be held after the service by the Women's Auxiliary for those who have been confirmed and their friends and relatives. As many as possible of the Chapel congregation are urged to attend and support the confirmation candidates with their presence and prayers.

Men's Missionary Project

During 1961 the men of St. John's Chapel undertook a mission project to educate two African boys from Nyassaland. The sum of \$114.31 was raised to help these two young lads, Elijah Mikhupela and Jackson Gomani, to complete their education. As there is a continuing need for this fund, it is hoped that in May a fund raising drive will be able to be made. As was done last year, envelopes will be distributed and the Chapel will appreciate receiving a gift no matter how small for this most worthwhile cause. In fact we would sooner have a large number of givers giving a little bit toward this project than just a few giving a lot.

Beautification of Church Grounds

A volunteer project to beautify the grounds of St. John's Chapel is now under way and the Chapel committee will appreciate help from the male members of the congregation in this undertaking. The only equipment needed is a shovel, preferably bell-mouthed, and a pair of willing hands. The work is being carried out on Saturdays, the last of April or early May. Those willing to help are asked to notify the Chapel office.

Women's Auxiliary

A very tired but happy lot of ladies of the St. John's Chapel Women's Auxiliary would like to say a very sincere "thank you" to all their friends who supported their recent Easter Basket Tea and Fashion Show. It was a great pleasure indeed to see so many people present.

Our membership is really growing and it is very gratifying to see how consistently high the attendance at our meetings remains. A W.A. such as ours is very fortunate as they are able to learn and profit by the successes and mistakes of other W.A.'s across Canada as well as other countries. For example, it is not unusual for us to begin a project which was originally tried in Eastern Canada, but by the time we have completed the project, we have incorporated ideas from numerous W.A.'s from Vancouver to Halifax. Another marvelous thing about these W.A. "projects" is the way that they so often turn into family projects — with the children delivering posters and leaflets and the husbands assisting as furniture movers, technical advisors, chauffeurs, etc.

In the very near future, if not already, your neighbor will pass you a large paper bag to which will be attached a list of odds and ends, such as bits of ribbon and lace, buttons, artificial flowers, old nylons, etc. These items will be used in the preparations for our Bazaar which will be held in the fall. So won't you ADD-A-SCRAP and pass it to your neighbor?

We hope that all Protestant women will pay us a visit in the near future. Remember we meet in the Conference Rooms of the St. John's Chapel at 8:00 p.m. on the second and fourth Tuesday of each month. See you on May 8th.

A college education is one of the few things a person is willing to pay for and not get.

OUR LADY OF FATIMA NEWS

Special devotions are being held during the month of May in honour of Our Lady. Since our Chapel is dedicated to Our Lady of Fatima, it is most appropriate at this time to relate, in story form, the message of Fatima.

This begins the first half of the story, which will be concluded in the June issue of the Bugle.

THE MESSAGE OF FATIMA

During the period from May to October, 1917, the Blessed Virgin appeared six times to three children near village of Fatima in Portugal. The children, Lucy Dos Santos and her cousins, Francis and Jacinta Marto were tending sheep at a place called the Cova da Iria — a natural depression among the hills. Suddenly, despite the fact that the sun was shining brightly, there was a brilliant flash of light — then a second, more vivid than the first. The frightened children found themselves surrounded by a light, so bright, it almost blinded them. In front of them stood a beautiful lady. She asked the children to meet at the same place six times in succession, at the same hour, on the 13th of each month. In October, she would tell them who she was and what she expected from them.

In the meantime, they must pray and say Rosary every day to obtain peace for the world. Though Lucy wished to keep the vision a secret, Jacinta told her Mother, so by the 13th of June, about 60 curious spectators, accompanied the children to the Cova da Iria, and, as promised, the Lady appeared. In addition to saying the Rosary every day, she instructed Lucy to learn to read, then she would tell her what else she wanted. She promised to take the children to Heaven, the two younger members soon. Lucy was to remain longer to establish throughout the world the devotion to the Immaculate Heart of Mary.

Before the Lady departed, the children were penetrated by the light from her palms. Francis and Jacinta were in a stream that went toward Heaven, and Lucy was in a stream that spread over the ground.

The spectators carried throughout the countryside, the news of what they had seen and heard. They had not seen the Lady but they had beheld the children in ecstasy, had heard Lucy's words, had noticed that the sun seemed dimmer while the apparation was taking place, and had seen the top of the azinheira tree bend as if under weight.

(To be continued)

Those who say you can't take it with you never saw a car packed for a vacation trip.

Winner Announced!

THE DRAW FOR THE THREE-DAY TRIP TO THE SEATTLE WORLD'S FAIR WAS WON BY

MRS. R. JACKSON PMQ 297 10119 - 147 AVE.
THIS DRAW WAS SPONSORED BY THE CATHOLIC WOMEN'S AUXILIARY OF OUR LADY OF FATIMA CHAPEL, GRIESBACH

(Commented Mr. Jackson, "We were going anyway, but now we can afford it.")

BAPTISMS FOR THE MONTH OF APRIL

OUR LADY OF FATIMA CHAPEL

Denise Joan, daughter of Cpl. and Mrs. K. H. Berlinghof
Paul Guy, son of Cpl. and Mrs. Guy Lavergne
Tammy Christine, daughter of Pte. and Mrs. David Lavender
Susan Marie, daughter of Sgt. and Mrs. John Bromley
Phillipa Mary Anne, daughter of Sgt. and Mrs. K. S. Gammon
Cathy Lynn, daughter of Cpl. and Mrs. K. G. Jackson

OUR LADY OF FATIMA —

C.W.A. NEWS

The regular meeting of the Catholic Women's Auxiliary was held on April 3, at 8 o'clock. The highlight of the evening came when Father Belanger drew the lucky ticket on our raffle for the 3-day trip to the Seattle World's Fair. Our hearty congratulations go out to the winner, Mrs. R. Jack-

son — PMQ 297 — 10119 - 147 Ave. Sincere thanks are extended to everyone who helped to make our enterprise so successful!

The clothing drive for the Marion Centre is in full swing, and we are very grateful to those who are making an early start in their collections of clothing. Our drive continues until May 31. Anyone who has cartons ready, may deliver them to the R.C. Chapel Annex, or contact one of the following numbers:

Mrs. Z. Wozny — GR 9-4977
Mrs. H. H. Taylor — GR 7-6388
Mrs. H. D. Robertson — GR 7-7062

After the business meeting was over, Father Belanger gave an informative talk on the effects of alcoholism.

The next meeting will be held on May 1, at 8 o'clock. Since May Devotions start that night, we invite all Catholic ladies to attend the devotions first, then drop in and enjoy meeting the other ladies of the parish.

FAMILY LIFE

Both the Bible and the study of man agree in asserting the primacy of the family among social relations. "So God created man in his own image, in the image of God he created him; male and female he created them. And God blessed them, and said to them: 'Be fruitful and multiply and fill the earth and subdue it.'" (Genesis 1:27-28).

In the study of origins the family is universally founded to be the basic unit in the society. The family is the social structure within which political, economic, and cultural patterns have come into existence and are continued. The family also plays a large part in the development of individuals, of nations, and of the world as a whole.

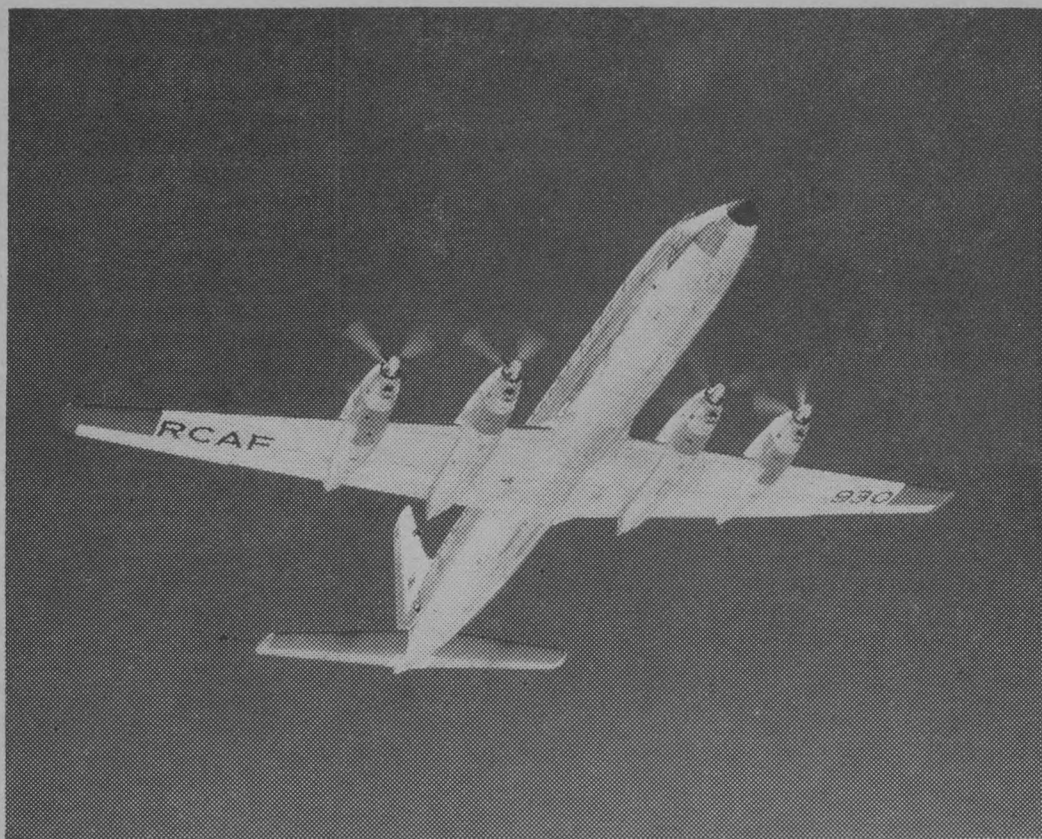

The family to Christ was a holy relationship and marriage a holy bond not to be broken lightly. The words of Jesus about the sacredness of marriage and the home are summed up when He said: "Have you not read that he who made them male and female, and said, 'For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one'? So they are

no longer two but one. What therefore God has joined together, let no man put asunder." (Matthew 19:4-6).

In this 20th century there are too many cases when marriages are too easily and too selfishly entered into and soon find their way into the divorce courts or result in legal separations. In many cases this results in much damage being done to the individuals concerned and especially to the children who are brought into the world and do not have the benefits of a normal family life.

Today we have many external factors also which take away from family life. We are so busy with day to day activities that we are unable to find the time to work, play, and worship as a family unit. When the family unit ceases to play the part it should, we suffer as individuals as well as a nation. It is a well known fact that a nation is as strong as its family life. Let each of us do our part to see that a healthy family life is maintained. When we do this we will be playing an important role in the life of our nation and at the same time will be fulfilling our duty to Almighty God.

AIRBORNE LUXURY

SOEST, Germany. — The shape of things to come in military air trooping was dramatically demonstrated recently when a giant new Yukon transport of the R.C.A.F. airlifted 107 officers and men of the 2nd Battalion, The Black Watch from Fredericton, N.B., to Dusseldorf, Germany, in eight hours and 50 minutes initiating the rotation of the 1st and 2nd Battalions of The Black Watch.

Rotation of the two infantry battalions was completed in March. The 2nd Battalion, which has been stationed at Camp Gagetown, N.B., replaced the 1st Battalion, which has served a two and half year period of duty with the 4th Canadian Infantry Brigade Group in Germany.

A few of the Highlanders were veterans of many transcontinental trips in the veteran "North Star" aircraft of the R.C.A.F. By comparison, the trip in the Yukon was "the best yet". The pressurized, air conditioned cabin provided a degree of comfort unknown in the old "troopers"; comfortable seats, plenty of legroom, and . . . hot meals served by R.C.A.F. flight attendants.

Lieut. Bill McMaster, of Dorchester, N.B., Assistant-Adjutant of the 2nd Battalion, The Black Watch, found the trip very comfortable. "I was surprised to hear very little engine noise. There was little or no vibration. The reclining seats were fine and most of us slept a good part of the way across. The Yukon's cabin has excellent sound deadening qualities and a highly efficient heating system. We were very comfortable, even at 29,000 feet. A few minutes after take-off, as the plane climbed steeply, we had the strange sensation of looking downhill, for the

plane's seats face backwards."

The Yukon's four Rolls-Royce "Tyne" engines each develop 5,300 horsepower at sea level. The huge wing measures more than 140 feet from wingtip to wingtip and the fuselage is over fifteen feet in diameter and 136 feet long. Built in Montreal by Canadair, the Yukon is a descendant of the famed Bristol "Britannia", but has been lengthened and adapted considerably for its new role as a military transport. Maximum cruising speed is 395 m.p.h. The plane will normally carry 100-110 troops with their equipment although it is fitted with 134 seats. Maximum range is 4,000 miles.

Coffee was served to the men a short time after take-off. A few hours later, breakfast was served: baked ham, omelette, rolls, fruit juice, milk, coffee, ketchup, jam. The aircraft is equipped with two galleys, a small one for the crew, forward; and the other, aft by the rear door, services the troops.

Meals are precooked and put aboard hot, or prepacked and heated on board by infra-ray heat. A refrigerator keeps milk, juices, desserts and other foods at the proper temperature.

The Yukon transport will eventually take over all "North Star" runs, as the rugged and dependable planes are given new jobs in R.C.A.F. service. In the past the North Stars have carried troops from Canada to Germany via Gander, Nfld., the Azores in mid-Atlantic, then to Shannon Ireland, and finally Dusseldorf. The long and tiring trip was hard on the troops. A non-stop flight is the ideal, for troops arrive at their destination feeling fresh and reasonably rested. Head winds might occasionally necessitate stopovers at Gander or Prestwick, Scotland to pick up fuel, but this will be rare.

The mighty Yukon "sold" itself to the men of the Black Watch, on its first trans-Atlantic flight as a "trooper."

SKIING

The Western Command Ski Team of eleven members competed in the National Army Finals in Valcartier on 17 and 18 March. There were 95 skiers competing representing nine Army Ski Clubs from across the country.

The weather was perfect for the meet although with daytime melting and freezing at night, the slalom course was quite icy.

Due to lack of facilities, the jumping event was cancelled. The events run were the biathlon (a 29 Km. cross-country run with ten shots being fired at targets at two ranges), downhill and slalom. Competitors had one run in the downhill event and two in the slalom with the combined results counting for the alpine combined.

The battalion team did particularly well in outrunning all other teams. However, their shooting was "not on" and they dropped to second place.

Individual placing, out of 21 runners, were as follows:
21st Pellow — 6th, 2:7:1.8, 2 QOR of C.

Pte. Anderson — 7th, 2:10:17.3, 2 PPCLI

21st Fisher — 9th, 2:13:49.5, 2 QOR of C.

Cpl. Sawatske — 11th, 2:18:24.4, 2 QOR of C.

The downhill/slalom team did quite well to place fourth of eight teams. The four best times of the six competitors forming the team

counted towards the alpine combined results.

Individual placing, out of 48 runners in the downhill, were as follows:

Pte. Berg, 2 PPCLI — 14th — 77.85 seconds

21st Bloom, 2 PPCLI — 20th — 80.45 seconds

Sgt. Hearnenden, 1 Sigs. Sqn. — 21st — 81.7 seconds

Lt. Col. Watson, HQ West. Comd. — 23rd — 84.1 seconds

Spr. McGowan, RCSME — 25th — 85.55 seconds

Capt. Partridge, HQ West. Comd. — 33rd — 111.1 seconds

Maj. Gen. Rockingham, HQ West. Comd. — 43rd — 175.75 seconds

Alpine Combined standings were:

Pte. Berg, 2 PPCLI — 10th

21st Bloom, 2 PPCLI — 12th

Lt. Col. Watson, HQ Wescom. — 17th

Spr. McGowan, RCSME — 18th

Capt. Partridge, HQ Wescom. — 21st

Maj. Gen. Rockingham, HQ Wescom. — 22nd

In the Veterans class (over 35 years of age) Lt. Col. Watson placed second.

In the special class (Major Generals over 50 years of age) Maj. Gen. Rockingham placed first! And so ends our formal programme for the season, although the die-hards will still be found chasing the last vestiges of snow in the Rockies well into May.

Individual placing, out of 40 runners in the slalom, were as follows:

	1st Run	2nd Run	Total	Standing
Pte. Andersen, 2 PPCLI (Post Entry)	1.30.4	1.20.4	2.50.8	9
21st Bloom, 2 PPCLI	1.42.6	1.32.8	3.15.4	18
Pte. Berg, 2 PPCLI	1.30.9	1.46.8	3.17.7	19
Sgt. Hearnenden, 1 Sigs. Sqn.	1.35.9	1.49.6	3.25.5	20
Maj. Gen. Rockingham, HQ Wescom.	2.02.6	1.40.0	3.42.6	25
Capt. Partridge, HQ Wescom.	2.00.9	1.42.9	3.43.8	26
Lt. Col. Watson, HQ Wescom.	2.20.0	1.36.3	3.56.3	29

Griesbach Junior Rifle Club

The Club will round out an interesting and successful year with a final shoot on Sunday, 6 May at 1330 hrs. Prizes will be awarded in the various classes.

A Club party will be held in the Pt. Lounge at 7.30 P.M. on Friday, 11 May, 1962. Prizes won on 6 May will be presented and added attractions will be films of interest as well as a party lunch. Parents are urged to attend.

One great use of words is to hide our thoughts.

2 PPCLI SPORT NEWS

BOXING

The unit boxing team was successful in defending the Western Command Boxing Trophy by winning the Championship held from 4th to 6th of Apr. at Calgary. The team amassed a total of 30 points to clinch the decision.

The team also participated in a tournament held at Hamilton Gault Barracks, opposing a civilian team from the city of Edmonton. In this match too, the battalion team took top honours.

The battalion congratulates the boxing team and their trainers on their very successful season to date.

THE BUSINESS LADIES CURLING CLUB RECEIVE TROPHY

The Club Curling Championship was won by the Bessie King Rink, who copped the honours by winning the Kilarney Drug Trophy.

Members of the winning rink were:

Bessie King — Skip

Liz White — 3rd

Pearl Oaks — 2nd

Doreen Paquette — Lead

Second place were the Joyce Smith Rink.

Third place went to the Jan Patterson Rink.

Fourth place winners were the Stephannie Coggins Rink.

The out-going Executive wish to thank all the members of the club for their help in the past year and wish the in-coming Executive the best of luck for 1962-63.

LUCAS RINK RECEIVE THE RELIANCE TROPHY

As this goes to press the Griesbach Gals will be turning to summer sports and hanging their brooms but for a moment we would like to reminisce the highlights of our 2nd Annual Combined Ladies Bonspiel.

There were twenty rinks entered in the Reliance Spiel and from the smiles on the faces of the curlers as they left we look forward to a bigger and better spiel next year.

Walking off with the top honours, winning the Reliance Moving and Storage Trophy was the Corrine Lucas Rink.

Members of the winning rink were:

Corrine Lucas — skip

Annette McDonald — 3rd

Marie Murphy — 2nd

Dorothy Starkey — Lead

2nd Event was won by the Hitchman rink skipped by Vera Hitchman.

3rd Event went to the King rink skipped by Bessie King.

4th Event went to the Allen rink skipped by Nancy Allen.

A word of thanks from the Executive to all who worked so diligently on various committees, to make our spiel such a success. Thanks, one and all.

PONY LEAGUE AND LITTLE LEAGUE BASEBALL

Information concerning the formation of these Little League will be circulated throughout PMQs.

ODE TO NORM GALBRAITH

Small girl, as golfer in sand trap paused for breath. "He's stopped beating it, Mummy. I think it must be dead."

Summer Recreation

In "Letters to the Editor" a resident brings forth some very good suggestions for summer recreation programs for children and adults.

Your Council appreciates these suggestions and welcomes the opportunity of outlining their summer recreation program and the reasons for such a program.

Two years ago Council investigated, very thoroughly, the possibility of operating a recreation program along the lines suggested by Mrs. Web. Council decided that such a program was not possible in Griesbach. The chief reason for this decision was the cost involved — the money to carry out such a program is just not available.

As an alternative, Council approached the YMCA and made arrangements for Griesbach children to attend their summer Day Camp program. The cost of this program is shared by Council, the Regimental Fund and a small portion by the parents of the children concerned. This program has proved very popular and will be carried on again this summer.

Money has been set aside by Council and further investigation is underway into the possibility of providing wading pools. If wading pools are built, supervisors will be hired for each pool. These supervisors will be expected to carry out a recreation program with the children attending the pools as well as supervise the use of the pools.

To date, efforts to obtain swimming pool facilities for Griesbach residents have been unsuccessful. Namao has been approached but results so far are not encouraging.

This is the first time that Council has been approached with a suggestion for PT classes for residents. Perhaps there are more residents than Mrs. Webb who want PT classes? Council will be pleased to assist residents in every possible way with the organization of such classes.

VOLLEYBALL

The battalion team has recently played two matches of importance. The first was for the Griesbach Area Championships, which the team won. The second was against Calgary Garrison in the Western Command Championships, which the battalion team lost.

Ladies Soft Ball

INTERESTED? TRAINING WILL BE UNDER WAY VERY SOON AND ALL INTERESTED SHOULD CONTACT MRS. E. WHITE BY PHONING GR 9-5015. YOUR ANSWER TO WHAT TO DO FOR THE SUMMER MONTHS!

A Toxophilites Notes

The Griesbach Archery Club, with the help of the Edmonton Archers and Hillcrest Archery Club, held a very successful Ham Shoot on April 8th, and four people went happily on their way with a 12-pound Easter ham apiece. The scheme was so successful in fact that this will now be a monthly occurrence.

Speaking of shooting, the citizens of Griesbach little realize the advantages that are being offered by the Archery Club. There are no accommodation, heat, light or equipment problems. In short, archery is being offered on a silver platter but many of our members are still conspicuous by their absence. Too much of a challenge, perhaps?

While we are on the subject of competition and challenge, rumor has it that a new form of archery may invade the sacred bounds of Edmonton in the near future — Archery Alleys. A tremendous success in Seattle and also Vancouver, it is played in a manner similar to the sport of bowling in

many respects — but with bows and arrows. More information on this will be forthcoming in good time.

Considerable interest has been shown in the Archery league that was mentioned last month. A very successful experiment indeed and plans are now under way for sponsorship by the Alberta Bowhunters and Archers Association and of course this will mean a terrific boost to the sport of archery. With a league on provincial scale, the prospects are unlimited and so those who have the courage to get on the band wagon and stick it are in for a whole new era of good interesting sport.

A few activities lined up for Archers are as follows:

Griesbach Community Fair — June 2nd.

Provincial Tournament — Calgary, June 30th to July 2nd inclusive.

Canadian Championships—Vancouver, July 24th to 28th inclusive.

LEAGUE STANDINGS AS OF APRIL 15th, 1962

TEAMS	P	W	L	T	PTS.
Edmonton Archers	6	5	1	0	10
Lethbridge Archery Club	5	4	1	0	8
Griesbach Archery Club	5	3	2	0	6
Sylvan Lake Archery and Rifle Club	5	1	4	0	2
Hillcrest Archery Club	5	0	5	0	0

Win Hiram Walker Trophy

The Hiram Walker Trophy for the "E" event went to a rink from Griesbach Barracks skipped by Ron Freeman.

(Left to right): Ron Freeman, Skip Sgt. John Coombe, Third Sgt. Miles King, Second Pte. Stan Highmoor, Lead

RCAF TAKE OVER

EDMONTON — The RCAF walked off with the Army's top curling trophy at Griesbach Barracks Sunday night when a rink from RCAF Winnipeg skipped by Flight Lieutenant J. C. Lord won the Western Command Trophy — "A" event in the Command's four-day open invitational bonspiel.

Top rink for the "B" event, and winners of the Queen's Own Rifles

of Canada Trophy was a rink from the Army's Camp Wainwright skipped by Oscar Bengston.

A civilian team from Alberta Avenue club, Edmonton, took the "C" event and copped the Camp Wainwright Trophy.

"D" event winner was an RCMP rink from the Edmonton sub-division, with Constable D. Snider skipping. They took the Security Storage (Big 4) Trophy.

BOXING

The Western Command Boxing Finals were held at Camp Sarcee, Alberta on the 4 and 6 Apr., 62. Results of bouts are as follows:

THIRD — Man. Area — 14

There were a lot of real good close fights. Cpl. Fredericks unfortunately was disqualified due to over eagerness. He just

couldn't resist that final "Coup de grace."

Pee Wee Hockey

GRIESBACH "A" LEAGUE

With the 1961-62 hockey season rapidly coming to a close, and Edmonton ice being at an absolute premium, the finalists in "A" League were privileged by playing their last game on Garden ice.

Possibly due to the long lay-off, 11 March to 14 April, the brand of hockey displayed was not of the best, but nevertheless, had its exciting moments, with the "Commandos" coming up with the long end of the score, defeating the "Warriors" and thus avenging their defeat of last season.

It is always a pleasure to watch hockey, doubly so when one is aware that normally most of the players attend school together, and in many cases are "buddies"; this has no bearing however when the ice is under blade, and the excitement of the game brings out the competitive spirit inherent in every man worthy to be classified as such.

The players, and the League, were extremely fortunate in obtaining the services of possibly the two best officials in Alberta, namely "Dutchy" Van Dielen and Capt. Ray Lawlor. All of the players were aware of the calibre of these gentlemen, consequently all were alert and only five minor penalties were called.

Thus it would seem that we can finally write finish to our hockey for this reason, but in the distance we detect a faint but determined shout, "Wait till next year."

BOXING

The Griesbach Boys Boxing Club has packed up for another season and will not operate again until next October.

It was a real good year and the boys were most keen to fight all comers.

On Friday, 13 April at the South Side Legion, the following boys put on a real show. They lost their bouts but proved themselves to be real good sports.

Billy Harris lost a squeaker to Brian McMillan (SSL) — a little more effort, Billy, and you would have won.

Frank McNab lost to Walter Dukowster (SSL) — a real good show Frank, the more you got hit, the madder you became.

Bobby Provencher lost a rough one to Larry Barnett (SSL) — an excellent showing against a tough opponent.

Congratulations to all three of you.

ON THE BROOM

After a busy but successful season, members of the Griesbach Ladies Curling Club stored their brooms on 3 Apr. The agenda for the afternoon consisted of a general meeting, novelty curling, refreshments, and presentation of prizes. The treasure's report showed a substantial bank balance. A nominating committee was selected, and a slate of officers for the '62 - '63 season will be presented at a general meeting to be held on 10 Sept. Circle the date on your calendar now. The executive arranged novelty curling for "wind up" day, but "lights out" wasn't part of the plan. Skips' calls were weird, but the results were fun. After refreshments, the Blake Forest trophy, symbol of the club championship, was presented by Capt. Lucas to the Dales rink. Members of Jan's rink were: third, Mary Robertson; second, Jo Goodfellow; lead, Percy Lessard; spare, Avis Btry. Pins were awarded to the members of the "runner-up" rink, skipped by Anna Hamilton. The Bess King rink topped the Friday league. Several small prizes were given for various efforts, mostly to do with the curling for the day. The members of the executive wish to express sincere appreciation for the co-operation they have received during the '61-'62 season. And now it's time to get ON THE BROOM at home.

Ladies' Field Hockey Proposed

A group of ladies in Edmonton is proposing to organize a women's field hockey league in the Edmonton district. If sufficient interest is shown, a league would be formed to commence shortly after Easter and continue until approximately the end of September. A senior league for adults (18 years of age and over) and a junior league for girls 12 years and over are tentatively planned. The fee for participants would be \$2.50 for the season.

Any ladies or girls in Griesbach who are interested in participating in hockey are requested to contact Mrs. Hermans, Tel. GR 7-8270.

Gymnastic's Anyone

Mrs. J. Jamieson, who has had considerable experience in gymnastics instruction, has enquired as to the possibility of organizing gymnastic classes in Griesbach. She would be willing to instruct teenagers (13 to 19 years of age) on Saturday and/or Sunday afternoons and adult ladies on some evening in the week.

Anyone interested in participating in gymnastics is invited to contact Mrs. Jamieson by telephone 479-3821.

Griesbach Garrison Golf Association

Now that the snow has finally disappeared from the Edmonton scene, these sufferers of the Hoof and Mouth disease who hoof it all summer and mouth it all winter are flexing their muscles in anticipation of another active golf season.

The Griesbach Garrison Golf Association is in full operation for 1962. At the general meeting of members on 26 Feb., 1962, the Executive for the season was elected:

President — Major F. R. Freeborn, HQ Alberta Area

Vice-President — Capt. E. A. Zerbin, 2 PPCLI

Secretary — Sgt. — J. A. Blake, West. Comd. Pro. Coy.

Treasurer — Sgt. A. L. Flom, Area Pay Office

Arrangements have been made to play at the Riverside Golf Club. Special playing privileges are extended to all Association members. Those wishing to join the Association may contact Sgt. Blake for details.

A full slate of tournaments is planned commencing 3-4 May, 62 with the first monthly Stroke play tournament. Tournament instructions will be passed to the golf representative of every Griesbach Garrison unit.

The Association normally operates a Practice Driving Range in the area immediately NORTH of 10 SDB. However, this year we are having our problems in finding a manager to operate the range. Anyone wishing to take on this responsibility may contact Sgt. Blake for details.

20 Years Service

WILL RETIRE THIS MONTH

Sergeant John Wecker of Calgary will retire from the Regular Army in May after completing 20 years continuous service. He has been with No. 13 Company, RCASC in Edmonton since 1958.

Wescom. PR Photo

Tennis Club Notes

The Griesbach Tennis Club has been more active than ever now the weather is at last improving and it is hoped that the outdoor courts will be in use by the time this edition goes to press. There are already twenty-seven members enrolled for the season and we are looking for more, so anyone interested should turn out on Saturday or Sunday afternoons at the outdoor courts at the back of the PT Building.

A certain amount of club equipment has been removed from the drill hall and anyone who is in possession of any is asked to return it. Club racquets are marked either with a large GTC followed by a number or a series of letters and numbers such as S-1-8. The tennis club property is for the use of all members and should not be taken away. Anyone who knows the whereabouts of any club racquets is asked to contact the secretary at GR 7-1502.

The tennis club also has several lady members so any wives who have always wanted to learn and have never got around to it, are encouraged to join.

For the sum of one dollar a year, instruction, racquets and tennis balls are provided so leave the ranks of the spectators and get out and play.

If you have any questions call Capt. Hawkins, GR 9-8411 local 413.

Wife knitting tiny garment to husband: "Oh, I meant to tell you — it wasn't psychosomatic after all."

RETIRING

EDMONTON — Retirement from the Regular Army after 23 years service was announced at Western Command headquarters for Major H. D. Robertson (14704 - 97A St., Edmonton) of the Royal Canadian Dragoons.

A native of Prince George, B.C., Major Robertson leaves the appointment of general staff officer (second grade) at command headquarters here. He will make his home in Vancouver.

Major Robertson was originally commissioned in the Vancouver regiment of the Irish Fusiliers in 1939. Shortly after he transferred to the armored corps and served with the Royal Canadian Dragoons in the United Kingdom, Italy and Northwest Europe during the Second World War. After the war he served as a staff officer in various locations in Canada. In 1955 he spent a year in Indo-China with the Canadian component there, afterwards returning to Edmonton.

He has served at Western Command headquarters in Edmonton since 1958.

Boss to steno: "Congratulations, Miss Beach — this is the earliest you've ever been late!"

Love is like a mushroom. You never know whether it's the real thing until it's too late.

Easter Tea Forecasts Spring

An Easter Tea and Fashion Show was held by the Women's Auxiliary of St. John's Chapel, Griesbach Barracks, on Saturday, April 14th.

Convener for Tea was Mrs. H. R. Hughes, in charge of the kitchen was Mrs. G. J. Couture, and Mrs. A. G. Macdonald convened the fashions. Fashions were donated by Johnstone Walker.

Mrs. L. Jervis and Mrs. A. Harmer were in charge of Easter baskets which were on sale and made by members of the W.A.

Presiding at the tea table were Mrs. H. A. Millen, Mrs. C. J. A. Hamilton, Mrs. D. M. C. Saunders, Mrs. Z. Wozny, Mrs. C. D. Nickerson, Mrs. S. H. Clarke, Mrs. C. J. Clark, Mrs. W. D. Kitchen and Mrs. A. Harmer.

Modelling the fashions were Mrs. R. Jackson, Mrs. J. Thompson, Mrs. G. R. Ingram, Mrs. H. R. Hughes, Mrs. F. Cruickshank and Mrs. T. McConnell.

Griesbach Tea and Fashion Show

Modelling the Johnstone Walker fashions at the St. John's Auxiliary tea and fashion show at Griesbach Barracks, Saturday, April 14, are from left: Mrs. R. Jackson, Mrs. J. Thompson, Mrs. G. R. Ingram, Mrs. H. R. Hughes, Mrs. F. Cruickshank and Mrs. T. McConnell.

PROMOTED

EDMONTON, Alta. — Captain V. M. Strjack of Flin Flon, Man. has been promoted to that rank from lieutenant and posted to the United Nations Emergency Force in the Middle East in mid-May, it was announced recently by Western Command headquarters.

A member of the Royal Canadian Engineers, Capt. Strjack has been employed with Western Command headquarters in Edmonton since 1961. He is a graduate of the University of Saskatchewan and a member of the Association of Professional Engineers, Chemical Institute of Canada and the Engineering Institute of Canada.

RCR's Returning To Europe

OTTAWA — The 1st Battalion, The Royal Canadian Regiment at Camp Ipperwash, Ont., will replace the 1st Battalion, The Canadian Guards in West Germany this October, Army Headquarters has announced.

The move of the 1 RCR to Germany marks its second tour of duty with Canada's NATO Brigade. It returned from its last tour in Europe in 1957. The battalion is now commanded by Lt. Col. J. A. Johnston, CD, of London, Ont..

REDCOATS RETURN

The Hon. Douglas S. Harkness, Minister of National Defence, announced on March 8, 1962 that the First Battalion, the Royal Welch Fusiliers would come to Canada for training this summer. It has now been decided that this British Regiment will train with units of the 1st Canadian Infantry Brigade Group at Camp Wainwright, Alta.

The date of arrival of the Royal Welch Fusiliers will be announced later.

A high school freshman says her home is organized like Congress. Her mother is Speaker of the House and her father is the whip.

TRAIN FOR TOMORROW

serve your way through university

You can become an Officer in the Canadian Army, and complete your education with financial assistance by enrolling in the tri-service Regular Officer Training Plan.

- Your tuition and university fees will be paid
- You will receive an annual grant for books and instruments
- You will receive a monthly income

Yukon To Have Own Unit

A new infantry battalion in the Canadian Army to be known as the Yukon Regiment (Militia) is being formed. The formation of this unit is keeping with the awareness of the people of the Yukon in the achievements of their Territory.

The new regiment will initially be composed of an infantry company and a Canadian Women's Army Corps increment stationed at Whitehorse, Y.T. It will replace "C" Squadron, 19th Alberta Dragoons (Militia) which will be re-located in Edmonton.

As the strength of the newly formed regiment increases other sub-units will be activated. They will continue to use the militia accommodation in Whitehorse.

The formation of a militia unit in the Yukon recalls historical associations reaching back to 1893 when the Yukon Field Force consisting of 203 all ranks was organized to reinforce the Northwest Mounted Police during the gold rush. Commanded by Lt.-Col. T. D. B. Evans of the Royal Canadian Dragoons, it was made up of members of the Royal Canadian Dragoons, the Royal Canadian Artillery and the Royal Regiment of Canadian Infantry, now the Royal Canadian Regiment.

The Yukon Field Force was withdrawn in June 1900 and in the following month of that year a small unit of the Non-Permanent Active Militia, The Dawson City Rifles was formed. It consisted of three officers and 39 other ranks and was disbanded in 1905.

During the First World War, two units associated with the Yukon were organized. They were the Yukon Infantry Company commanded by Captain The Honorable George Black, who at that time was Commissioner of the Yukon and later became Speaker of the House of the Commons, and the Yukon Motor Machine Gun Detachment. It was raised and equipped by J. W. Boyle of Dawson City. Subsequently these units became "C" and "A" batteries of the 2nd Canadian Motor Machine Gun Brigade.

The formation of this unit is part of the Canadian Army's policy of keeping abreast of Canada's expansion in the North.
